

ICAART 2023

15th International Conference on Agents and Artificial Intelligence

<https://icaart.scitevents.org>

To whom it may concern,

We are happy to inform that the paper submitted by Olga Grebenkova, Oleg Bakhteev and Vadim Strijov to ICAART 2023 with number 42, entitled "Deep learning model selection with parametric complexity control", has been accepted as a Full Paper, to be presented in Lisbon - Portugal, February 22 to 24, 2023.

All papers accepted to ICAART 2023 were peer reviewed by at least two experts from the international program committee, in a double-blind review process.

The paper will be published in the conference proceedings with up to 12 pages, and after being presented at ICAART 2023 it will be included in the SCITEPRESS Digital Library under a specific DOI to be specified after the proceedings are published, and submitted for indexation to SCOPUS, Google Scholar, DBLP, Semantic Scholar, EI and Web of Science / Conference Proceedings Citation Index.

Best Regards,

A handwritten signature in blue ink, appearing to read "Jaap van den Herik".

Jaap van den Herik
(ICAART Conference Chair)
